A.O. Hospital (Pvt.) Ltd. was founded on the 1st of May 1985 by renowned Orthopaedic surgeon Dr. S.M.A. Shah, FRCS, FRCS (Ed.) and has been visited by two Presidents of A.O. International, Professor Hans Willenegger and Prof. Chris Colton. There was a desperate need for a trauma center in the bustling urban environment of Karachi, and our institute fills that void, dealing with a vast amount of trauma, joint reconstruction and revision surgery. In the eighties, Dr. Shah decided to move to Karachi after having worked in the U.K. for 15 years. Initially he started working at three hospitals namely Medicare, Mideast and Holy Family. In a very short space of time, he was being recognized as the leading Trauma & Orthopaedic Surgeon in the City.
